

# Heaven Is Waiting

Lynch Mob

Music: lynch

Lyrics: esposito, lynch, brown, mason

I've been tryin'  
Tryin' to show to you  
The way I feel inside  
It don't make no sense  
To hide my feelings, no

No time for wastin'  
Oh there's got to be a way  
I beg, steal or take  
The taste of tears  
You throw my way

Heaven is waiting  
How can you walk away, yeah  
(don't walk away)  
Don't hurt me, love me, babe  
Don't take your time, girl  
Don't be late

I've been dyin'  
Dyin' to tell you how  
You tear me up inside  
Just a look from you  
Could make or break me

Now, do you remember

Oh wehn you call my name  
I got this...chance  
My dreams won't fade away

Heaven is waiting  
How can you walk away, yeah  
(don't walk away)  
Don't hurt me, love me, babe  
Don't take your time, girl  
Don't be late

Oh no way  
Don't turn away  
I can't wait

Heaven is waiting  
How can you walk away, yeah  
(don't walk away)  
Don't hurt me, love me, babe  
Don't take your time, girl  
Don't be late

Heaven is waiting  
How can you walk away, yeah  
(don't walk away)  
Don't hurt me, love me, babe  
Don't take your time, girl  
Don't be late

Heaven is waiting (repeat)
