None of Us Are Free

Lynyrd Skynyrd

You better listen my brother 'Cause if you do you can hear There are voices still callin' From across the years

And they're cryin' across the ocean And they're cryin' across the land And they will until we all come to understand

That none of us are free None of us are free None of us are free if one of us is chained None of us are free

Well there are people in the darkness And they just can't see the light And if we don't say it's wrong Then that says it's right

We got to feel for each other Let our brothers know we're here Got to get the message And send it out loud and clear

That none of us are free None of us are free None of us are free if one of us is chained None of us are free

Well it's the single truth We all need to see That none of are free if one of us is chained None of us are free

Well I swear to you salvation it isn't very hard to find None of us can find it on our own We got to join together, spirit, heart and mind All the soles are suffering, knows they're not alone

And none of us are free None of us are free

If you just look around you You're see what I say 'Cause the world's gettin' Smaller each passin' day

Now it's time to make some changes Now it's time we all realized That the truth is shinin' right before our eyes

'Cause none of us are free None of us are free None of us are free if one of us is chained None of us are free

Well it's the very heart

Of humanity 'Cause none of us are free if one of us is chained None of us are free None of us, none of us are free None of us, none of us are free None of us are free, none of us are free None of us are free, none of us are free None of us are free if one of us is chained None of us are free 'Cause it's the very truth We all need to see That none of us are free if one of us is chained None of us are free if one of us is chained None of us are free if one of us is chained None of us are free if one of us is chained

None of us are free
