Not long ago in a place real far I knocked this hutch at a grill slash bar Fucking up some prawns n chips Cause mac dre don't eat omelets Suckin my teeth like I'm the shit On gin but I think it's time to switch Bar tender give me stoli with roses lime I don't want no ice tea island long Gimmie stogies with roses n ryme Man I get that all the time Throwback Steve Larkin #80 I looked up n I saw this lady On my momma I ain't fat mouthin The bitch looked like she could suck a thousand But her ass wasn't really all that giant She must have been workin her Fonda diet Man you know she looked alike that Filipino girl jay used to like Bottom line she was fine you don't see this kind all the time Man u know my name first is mac walked up to her put down my act I said excuse me lady is somethin wrong You've been starin at pimpin way too long Y do you keep on eyein a nigga Cuddie the bitch started cryin a river I said what's wrong like a cared She said she caught her pimp fuckin a square I said damn you must be devistated She said I've been with him since I graduated But wait a minute u look framiliar I said c'mon now look cicilia That's the oldest line in the book That's bunk like dope I used to cook She said uhh don't u rap I said yes it is I andre the mac She said well uh if that's the case then wave 5 thow wow in my face She said shes been my fan since she was 12 And if she was gonna choose it might as well be me The M to tha D is that five thow wow choosein fee

Now this story has 4 possible endings
Is mac dre a going to A reach back like a pimp and slap the hoe and tell her bitch beat it
I ain't no rest haven for runaway bitchas
B start speaking swaheeli cause he thinks the bitch is the fuzz tryin ta pin ch pimpin
C or does he P.I.M.P n tell the bitch put it in my pocket you beezie

I said look if you want dreezy
You gonna have to put it in my pocket u beezie
The bitch reached in her flindy bag and almost made pimpin grow a shag
I said god damn bitch the bitch had 40 grand kids
10 thousand in stacks a ten I said they gonna put u up under the pen
I said we can't do this in no bar
Let's talk about things in my car
Who is this bitch can I trust her
Took her outside to my plimyth duster
She said there's one more thing that you should know

There's one more hoe and where I go she go
I said where I come from 3 is fun and plus 1 is too close to none

Twinkle twinkle
Cow moo moo
I shit on niggaz
Al boo boo (3x)

That might be a take
