

Two Hearts

Magnum

Send my love on the telephone
No one answers, 'cause no one's home
Call after call
I just get nothing at all

Dirty feelings, they can't be right
Try again for tomorrow night
No luck at all
Has got me walking the floor
Walking the floor

Good love, forsaken
Two hearts, one breaking
Good love, mistaken
Two hearts, one aching
Aching

Send my love on the telephone
No one answers, 'cause no one's home
Call after call
I just get nothing at all
Oh, no

Dirty feelings, they can't be right
Try again for tomorrow night
No luck at all
Has got me walking the floor
Walking the floor

Good love, forsaken
Two hearts, one breaking
Good love, mistaken
Two hearts, one aching

Good love, forsaken
Two hearts, one breaking
Good love, mistaken
Two hearts, one aching

Good love, forsaken
Two hearts, one breaking
My heart is breaking
Good love, mistaken
Two hearts, one aching
I'm aching

Good love, forsaken
Two hearts, one breaking
My heart is breaking
Good love, mistaken
I'm mistaken
Two hearts, one aching
I'm aching

Good love, forsaken
Two hearts, one breaking
My heart is breaking

Good love, mistaken
I'm mistaken
Two hearts, one aching
I'm aching
