

Don't Invent Me

Mandalay

I won't know another
'Til I know
I won't know another
'Til I know

Even though I keep on telling you
But still oh no, no

I won't know another
'Till I know

Here, only love
Don't invent me
'Til you need me
Will I fall in now?
Only love, don't invent me
'Til you need me

I won't love another
'Til I learn
I won't love another
'Til I learn

Even though I keep on telling you
But still oh no, no

I won't know another
'Til I know

Here, only love
Don't invent me
'Til you need me
I fall in now
Only love, don't invent me
'Til you need me

Here, only love
Don't invent me
'Til you need me
I fall in now
Only love, don't invent me
'Til you need me

Here, only love
Don't invent me
'Til you need me
I fall in now
Only love, don't invent me
'Til you need me

Here, only love
Don't invent me
'Til you need me
I fall in now
Only love, don't invent me
'Til you need me
