

# King Of Mercy

Manic Drive

Never too far from countless grace  
There's never a distance from forgiveness  
Your love travels endlessly  
Reached out and has redeemed

Voices of song fail to portray  
The depth of Your kindness that's displayed  
The Ruler of nations speaks  
The promise of Your mercy

And I know if I'm hurt that You'll heal me  
And I know if I'm lost ya You'll lead me  
Through it all You've been always with me  
You show mercy Lord

'Cause I'm fallen short  
And I'm far from worthy  
But You lift me up  
Oh King of mercy  
You show mercy Lord  
With a cross to hold  
And my sins to carry  
Ya You give me hope  
Oh King of mercy  
You show mercy Lord

Seen me in struggles, wrong or right  
When I've fallen short, a King will rise  
And passion will cover me  
Pursue me relentlessly

And I know if I'm hurt that you'll heal me  
And I know if I'm lost ya You'll lead me  
Through it all You've been always with me  
You show mercy Lord

'Cause I'm fallen short  
And I'm far from worthy  
But You lift me up  
Oh King of mercy  
You show mercy Lord  
With a cross to hold  
And my sins to carry  
Ya You give me hope  
Oh King of mercy  
You show mercy Lord

The Author of Grace, You write my name  
And I know these words won't be erased  
A sinner that kneels before the throne  
You pardon me and say I'm Yours

'Cause I'm fallen short  
And I'm far from worthy  
But You lift me up  
Oh King of mercy  
You show mercy Lord

With a cross to hold  
And my sins to carry  
Ya You give me hope  
Oh King of mercy  
You show mercy Lord
