

# Out Of Control With Rock & Roll

Manilla Road

The Fire in my heart is burning... out of control  
And I can't seem to stop this yearning... for rock & roll  
I've tried to hold my feelings  
But when the music starts it sends my head a-reeling

I'm Out of Control with Rock & Roll  
I'm Out of Control with Rock & Roll

Take me through the frozen wastelands  
Just take me higher and higher  
So I can try and forget  
This hellband raging desire

I'm Out of Control with Rock & Roll  
I'm Out of Control with Rock & Roll

Do It to Ya  
I don't know how this is happening  
I don't if this is Real  
I think I'm changing  
I don't know how I should feel  
How I should feel  
In my Soul  
I'm Out of Control with Rock & Roll  
I'm Out of Control with Rock & Roll

The Fire in my heart is burning... out of control  
And I can't seem to stop this yearning... for rock & roll  
A million Hells I suffer  
Just to rock & roll forever

I'm Out of Control with Rock & Roll  
I'm Out of Control with Rock & Roll
