

Make It with You

Marc Anthony

I wanna love you
for the rest of my life
te quiero tanto

Hey, have you ever tried
really reaching out to the other side
I may be climbing on rainbows
but baby here goes

Dreams they're for those who sleep
life is for us to keep
And if you're wondering
what this song is leading to, hey
I want to make it with you
I really think that we can make it, girl

No, you don't know me well
And every little thing only time will tell
If you believe the things that I do
we'll see it through

Life can be short or long
love can be right or wrong
and if I chose the one I'd like
to help me through
I want to make it with you
I really think that we can make it

Dreams they're for those who sleep
baby, life is for us to keep
and if you're wondering
what this song is leading to, hey
I want to make it with you
I really think that we can make it

Hey, baby

Ehhhhh
acariciame
I really think
I really think that we can make it
