Teen Idle

Marina & the Diamonds

I wanna be a bottle blonde
I don't know why but I feel conned
I wanna be an idle teen
I wish I hadn't been so clean

I wanna stay inside all day
I want the world to go away
I want blood, guts and chocolate cake
I wanna be a real fake

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive

I wanna be a virgin pure A 21st century whore I want back my virginity So I can feel infinity

I wanna drink until I ache
I wanna make a big mistake
I want blood, guts and angel cake
I'm gonna puke it anyway

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive Come alive, I've come alive

I wish I wasn't such a narcissist
I wish I didn't really kiss
The mirror when I'm on my own
Oh, God! I'm gonna die alone
Adolescence didn't make sense
A little loss of innocence
The ugly years of being a fool
Ain't youth meant to be beautiful?

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive Only to find I've come alive

Only to find I've come alive Come alive

Feeling super, super, super! Feeling super, super, super! Feeling super, super, super! Come alive
