

Take my clothes off  
Stiletto heels still on deck, yeah  
Take my clothes off  
You better get ready, get set, go

I'm performing for you  
What's your legs, I do me  
Inside my love  
Begging the taste of my flavour, I'll return the favour

Six-ty nine  
Stay on your mind, stay on my mind  
Can't get you out of my head my head  
You know you wanna go, you put it down  
(Face down ass up, that's the way we like to fuck)  
(That's the way we like to fuck)  
(That's the way we like to fuck)  
(That's the way we like to fuck)

Take your clothes off  
There's a record in our heads  
Take your clothes off  
fuck me till you forget, then I blackout, you're my back out

I'm performing for you  
What's your legs, I do me  
Inside my love  
Begging the taste of my flavour, I'll return the favour

Six-ty nine  
Stay on your mind, stay on my mind  
Can't get you out of my head my head  
You know you wanna go, you put it down  
(Face down ass up, that's the way we like to fuck)  
(That's the way we like to fuck)  
(That's the way we like to fuck)  
(That's the way we like to fuck)

(I know your body better than you do)  
(I might not come at all but you do)  
(Every motherfucking time)  
(You tell me that that motherfucker mind, hello)

(I know your body better than you do)  
(I might not come at all but you do)

Six-ty nine
