Take my clothes off
Stiletto heels still on deck, yeah
Take my clothes off
You better get ready, get set, go
I'm performing for you
What's your legs, I do me
Inside my love
Begging the taste of my flavour, I'll return the favour
Six-ty nine
Stay on your mind, stay on my mind
Can't get you out of my head my head
You know you wanna go, you put it down
(Face down ass up, that's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
Take your clothes off
There's a record in our heads
Take your clothes off
fuck me till you forget, then I blackout, you're my back out
I'm performing for you
What's your legs, I do me
Inside my love
Begging the taste of my flavour, I'll return the favour
Six-ty nine
Stay on your mind, stay on my mind
Can't get you out of my head my head
You know you wanna go, you put it down
(Face down ass up, that's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
(I know your body better than you do)
(I might not come at all but you do)
(Every motherfucking time)
(You tell me that that motherfucker mind, hello)
(I know your body better than you do)
(I might not come at all but you do)
(Every motherfucking time)
(You tell me that that motherfucker mind, hello)
Six-ty nine
Stay on your mind, stay on my mind
Can't get you out of my head my head
You know you wanna go, you put it down
(Face down ass up, that's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
(That's the way we like to fuck)
