

# Is There Any Chance

**Marty Robbins**

Is there any chance that you and I  
Can start all over  
Will you say you'll try  
Is there any chance that you may be  
Still a little bit in love with me

Do I feel it when we say hello  
Or is it just because I'm hoping so  
Do you still have faith in our romance  
Will you tell me  
Is there any chance

Is there any chance your heart may try  
To trust again the heart that made you cry  
Is there any chance you might forgive  
Oh, you must, or how else can I live

Is there any chance that you and I  
Can start all over  
Will you say you'll try  
Is there any chance that you may be  
Still a little bit in love with me  
(in love with me)
