There's Power In The Blood

Marty Robbins

Would you be free from your burden of sin There's power in the blood power in the blood Would you o'er evil a victory win There's wonderfull power in the blood

There is power power wonder working power in the blood of the l amb

There is power power wonder working power in the precious blood of lamb

Would you be whiter much wither than snow There's power in the blood power in the blood Sin's stains are lost and it's life giving flow There's one flicker power in the blood

There is power power...

Would you do service for Jesus your king There's power in the blood power in the blood Would you lift David his praises to sing There's wonderfull power in the blood

There is power power...
