

# Shut Up And Kiss Me

Mary Chapin Carpenter

Don't mean to get a little forward with you  
Don't mean to get ahead of where we are  
Don't mean to act a little nervous around you  
Just a little nervous about my heart

'Cause it's been awhile since I felt this feeling  
That everything that you do gives me  
It's been too long since somebody whispered  
Shut up and kiss me

Didn't expect to be in this position  
Didn't expect to have to rise above  
My reputation for cynicism  
Been a jaded lady when it comes to love

But oh baby, just to feel this feeling  
That everything that you do gives me  
It's been too long since somebody whispered  
Shut up and kiss me

There's something 'bout the silent type  
Attracting me to you  
All business, baby, none of the hype  
That no talker can live up to

Come closer baby, I can't hear you  
Just another whisper if you please  
Don't worry 'bout the details darlin'  
You've got the kind of mind I love to read

Talk is cheap and baby, time's expensive  
So why waste another minute more  
And life's too short to be so apprehensive  
Love's as much the symptom darlin' as the cure

Oh baby when I feel this feeling  
It's like genuine voodoo hits me  
It's been too long since somebody whispered

Oh baby I can feel this feeling  
That everything that you do gives me  
It's been too long since somebody whispered  
Shut up and kiss me  
Shut up and kiss me
