

Such A Sweet Thing

Mary Wells

(Hey hey, my baby's such a sweet thing)
He's oh such a sweet thing, my baby, oh yeah
Happiness to me he brings, my baby, uh huh
When he takes me in his arms & squeezes me so tight
I feel this growin' squeezin' with all of his might
& he's oh such a sweet thing, he's oh such a sweet thing

He'll never, no never dream of leavin' me blue, oh no
He really loves m-me, & I know it's sincere & true, oh yeah
To keep us all on space, I'll do anything it takes
Any sacrifice to me I'll surely run & hurt
& he's oh such a sweet thing, he's oh such a sweet thing
Sunny thing, yeah

He's sweet to me like honey from a bee
The way he speaks of love is oh so heavenly
& he's oh such a sweet thing, he's oh such a sweet thing

He assures me of his love each & every day, my baby
There is no doubt in my mind of anything he say, oh no
Whenever I'm in need of good advice
He's always freely giving, I never have to ask twice
& he's oh such a sweet thing, he's oh such a sweet thing

My baby, such a sweet thing, yeah
He's a sweet thing, that's my baby
