

## Breakin'

### Masked Intruder

I'm breaking in  
Cause you broke my heart  
And I'm all broke up  
Since we broke apart  
And I'm breaking down  
Now that you're not around.  
And I'm breaking out to save my skin  
And ditch this broken situation that you left me in  
When I heard you say  
"officer, take him away".

And I'm breaking down,  
Now that you're not around,  
Since you broke the news  
That I was not the one for you.
