When My Heart Runs Dry

Matt Redman

When my heart runs dry And there's no song to sing No holy melody No words of love within I recall the height from which This fragile heart has slipped

And I'll remember You I will turn back and do The things I used to do for the love of You Lord, I'll remember You I will turn back and do The things I used to do for the love of You

You are my soul's desire You are the hope within You bring my heart to life You make my spirit sing I recall the height from which This fragile heart has slipped
