

# I Will Always Love You

Me First and the Gimme Gimmes

If I should stay  
I will only be in your way  
And so I'll go, but I know  
That I'll think of you each step of the way

And I will always love you  
Will always love you

Bitter-sweet memories  
That's all I'm taking with me  
Good-bye, oh, please don't cry  
We both know that I'm not  
What you need

I will always love you  
Will always love you  
Will always love you

I hope life, treats you kind  
And I hope that you have all  
That you ever dreamed of  
And I wish you joy  
And I wish you happiness  
But above all of this  
I wish you to have

And I will always love you  
Will always love you  
Will always love you  
Will always love you  
Yeah, Yeah...
