Brother will kill brother spilling blood across the land Killing for religion something I don't understand And fools like me, who cross the sea and come to foreign lands Ask the sheep, for their beliefs do you kill on God's command?

A country that's divided surely will not stand My past erased, no more disgrace foolish naive stand The end is near, it's crystal clear part of the master plan Don't look now to Israel it might be your homelands

Holy wars

Upon my podium, as the know it all scholar
Down in my seat of judgment Gavel's bang, uphold the law
Up on my soapbox, a leader out to change the world
Down in my pulpit as the holier than-thou-could-bemessenger of God

Wage the war on organized crime Sneak attacks, repel down the rocks behind the lines Some people risk to employ me some people live to destroy me Either way they die, they die

They killed my wife and my baby, with hopes to enslave me First mistake last mistake paid by the alliance, to slay all the giants

Next mistake no more mistakes

Fill the cracks in, with judicial granite
Because I don't say it, don't mean I ain't thinkin' it
Next thing you know, they'll take my thoughts away
I know what I said, now I must scream of the overdose
And the lack of mercy killings, mercy killings, mercy killings
Killings killings
Next thing you know, they'll take my thoughts away, yeah
