

# Public Enemy No. 1

Megadeth

Public enemy number one  
Jailbreak and a smoking gun  
You won't believe the things I've done  
And the killing is just for fun

Public enemy number one  
A stolen car and I'm on the run  
Through the night to the rising sun  
And the trouble has just begun

Roses on your grave  
I'll be on my way  
There's no time to stay  
With the enemies I've made

I'm invincible  
You might say despicable  
Punishments reciprocal  
Public enemy number one

I'm unbeatable  
My mind is untreatable  
Crimes unrepeatable  
Public enemy number one

Public enemy number one  
Watch the authorities come undone  
With every stand-off that I've won  
Flirting death is just for fun

Public enemy number one  
Born a fugitive a father's-son  
Another heist of a bank is done  
And the trouble has just begun

Roses on your grave  
I'll be on my way  
There's no time to stay  
With the enemies I've made

I'm invincible  
You might say despicable  
Punishments reciprocal  
Public enemy number one

I'm unbeatable  
My mind is untreatable  
Crimes unrepeatable  
Public enemy number one

(solo)

The posters say I'm wanted  
Dead or dead  
Anyone who's tried  
Got a bullet to the head

I'm invincible  
You might say despicable  
Punishments reciprocal  
Public enemy number one

I'm unbeatable  
My minds untreatable  
Crimes unrepeatable  
Public enemy number one
