

Missing You

Mia Martina

When you lie awake at night do you still think of me?
Do you miss the love we knew?
Are you falling apart, are you falling apart?
We say the feeling's gone but we don't mean it
Tonight I'll hide the tear
But I'm falling apart, but I'm falling apart

If I'm not where you are, who's gonna save me?
If I'm lost in the dark, who's gonna find me?
If I'm not good enough, who's gonna want me now?
Who's gonna want me?

I can't stop, I can't stop missing you
I won't stop, I won't stop missing you
I can't stop, I can't stop missing you
I, I, I, I'm missing you

I can't stop, I can't stop missing you
I won't stop, I won't stop missing you
I can't stop, I can't stop missing you
I, I, I, I'm missing you

I try to numb the pain cutting inside of me
It never goes away
Keeps taking me down, keeps taking me down

If I'm not where you are, who's gonna save me?
If I'm lost in the dark, who's gonna find me?
If I'm not good enough, who's gonna want me now?
Who's gonna want me?

I can't stop, I can't stop missing you
I won't stop, I won't stop missing you
I can't stop, I can't stop missing you
I, I, I, I'm missing you

I can't stop, I can't stop missing you
I won't stop, I won't stop missing you
I can't stop, I can't stop missing you
I, I, I, I'm missing you

I can't stop, I can't stop missing you
I won't stop, I won't stop missing you
I can't stop, I can't stop missing you
I, I, I, I'm missing you
