

Turn It Up

Mia Martina

The music is playin', it's takin' me higher
She's lookin' so sexy, hot like fire

And tonight, wanna feel your body close to me
Beat inside, feel the music taking over me

We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up
We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up
We can turn it up

Feeling so amazing, DJ bring me higher
If only that I'm moving, the club's on fire

And tonight, wanna feel your body close to me
Beat inside, feel the music taking over me

We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up
We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up
We can turn it up

[Belly:]

Let's get higher, we hot this shit on fire
And if we talkin' money, you're singin' to the choir
Oh she's dope, you should come we're the supplier
So I'll minus all these girls, and I just sit back and admire

Hey, turn my music louder,
She ain't even dancing, she been on the floor for hours
Hey, and I'm just bein' modest
But you really gotta know, you got the body of a goddess

We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up
We can turn it up, up, up, up, up
We can turn it up, up, up, up, up
Baby turn it up, up, up, up, up
We can turn it up, up
We can turn it up, up

We can turn it up
