(bacharach/david)

A chair is still a chair

Even when no one is not sitting there

But a chair is not a house

A house is not a home

When there's no one there to hold you tight

And no one there you can kiss goodnight

A room is still a room

Even when there's nothing there but gloom

But a room is not a house

And a house is not a home

When the two of us are far apart

And one of us has a broken heart

Now and then I call you name And suddenly a face appears But it's just a crazy game That when it ends It ends in tears

Oh, so darling, have a heart
Don't let one mistake keep us apart
A hurt man to live alone
Turn this house into a home
When I climb the stairs and turn the key
Please be there
Still in love with me

Oh darling, have a heart
Don't let one mistake keep us apart
A hurt man to live alone
Turns this house into a home
When I climb the stairs and turn the key
Please be there
Still in love with me

Still in love with me
