There's a saying old Says that love is blind Still we're often told Seek and we shall find So I'm gonna seek a certain girl I have in mind Looking everywhere, haven't found her yet She's the big affair, i cannot forget Only girl I ever thinkof with regret... I would like to addmy initials to her monogram Oh.. tell me where is the shepperd For this lost lamb There's a somebody i'mlonging to see I hope that she turnsout to be Someone who watch overme Well, I'm a little lambwho's lost in the wood I know I could alwaysbe good To one who'li watchover me Although I may not bethe man Some girls think ofas handsome To her heart I'll carrythe key Oh.. won't you tellher, please, To put on some speed Follow my lead Oh, how I need... Someone to watch overme... Someone to watch overme.
