

At Last

Michael Bolton

At last
My love has come along
My lonely days are over
And life is like a song

Hmm hmm, at last, at last
The skies above are blue
My heart was wrapped up in clover
The night I looked at you

I found a dream
That I could speak to
A dream that I, I could call my own
I found a thrill to press my cheek to
A thrill that I have never known

Ohh ohh, you smile, you smile
And then the spell was cast
And here we are in Heaven
For you are mine at last, hmm
At last

I found a dream
That I could speak to
A dream that I can call my own
I found a thrill to press my cheek to
A thrill that I have never known

Ohh ohh, you smile, you smile
And then the spell was cast
And here we are in Heaven
For you are mine at last
