Now if you feel that you can't go on Because all of your hope is gone And your life is filled with much confusion Until happiness is just an illusion And your world around you is crumblin' down Darling reach out, darlin' reach out for me

[Chorus:]
I'll be there
To give you all the love you need
And I'll be there
You can always count on me

When you feel lost and about to give up 'Cause your best just ain't good enough And you feel the world has grown cold And you're driftin' out all on your own And you need a hand to hold Darlin' reach out, darlin' reach out for me

I'll be there
With the love that will shelter you
I'll be there
With all the love that will see you through

[Chorus]

I can tell the way you hang your head You're without love and now you're afraid And through your tears you look around But there's no peace of mind to be found I know what you're thinkin', you're alone now No love of your own But darlin' reach out Darlin' reach out for me

[Chorus]

I'll be there
With the love that will shelter you
I'll be there
With the love that will see you through
