

## Bossa' My Heart

Mila Mason

Let me tell you a little somethin' 'bout this heart of mine  
I ain't gonna try to make it smile when it's really cryin'  
And I won't tell you that I love you when I'm mad  
But I won't tell you that I hate you, you can't get that bad

I'll give you my love  
Well most of the time  
All my affection  
And a little piece of my mind  
Some of my money  
And a key to my car  
But I'm gonna be the bossa' my heart, bossa' my heart  
I'm gonna be the bossa' my heart

Now don't get me wrong 'cause baby you're the only one  
If I seem a little cold it's from the storm I've come from  
I have a history of missing the obvious  
I nearly froze in a blinding love, I won't let that happen to u  
s

I'll give you my love  
Well most of the time  
All my affection  
And a little piece of my mind  
Some of my money  
And a key to my car  
But I'm gonna be the bossa' my heart, bossa' my heart  
I'm gonna be the bossa' my heart

I'm gonna let you be  
The bossa' who  
Watches the money, picks out the restaurants  
Honey you do what you want  
Yes you can  
Be the main man  
When it comes to the practical things that living can bring  
I'm putty in your hands  
But let me get one thing straight before we start

I'm gonna be the bossa' my heart, bossa' my heart  
I'm gonna be the bossa' my heart
