

Nothing To You

Milk Inc.

Tell Me Eye To Eye
What's The Reason Why
You Can't Feel The Things I Do

I've Come A Long Way
Since My Search For Truth Began
I Made The Same Mistakes
I Know I'll Make Again

A Stranger In This Land
No One To Understand
What I Would Do
To Get Through To You

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

It's Been A Long Time
Since I Left It All Behind
To Travel Down These Roads
To Watch My Dreams Unwined

A Stranger In This Land
No One To Understand
What I Would Do
To Get Through To You

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

Tell Me Eye To Eye
What's The Reason Why
You Can't Feel The Things I Do

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

It Ment Nothing To You
You'll Never Understand
It Ment Nothing To You
The Touch Of My Hand

Tell Me Eye To Eye
What's The Reason Why
You Can't Feel The Things I Do
