Charlie

Milla Jovovich

Now, be free
The sky must have fallen
When I couldn't see
Your life's weak strain
I take a step back
And you've fallen again

But if you'd listened A little closer Reaching over This cold shoulder

Oh charlie, a boy and his toys
I see you lying stiff and cold
Spread out upon the bedroom floor
Kiss me darling with those
Pale lips once more
Hands could never comfort you
Not so well as steel could do

Freak on in
Did you think ths time
You would finally win
A trip of life

Reeling spinning out of lies Daisy vision in your eyes Boat is sinking someone cries You have left me to surmise Your surprise
