

Love Rollercoaster

MIMS

Dealin' wit me is like a ride

(Uh, uh)

A ride

But when the ride is movin' keeps your hands inside

At first I take you low, then I can take you high

Take you twice around the world, baby I'll make you fly

(Make you fly)

Keep you laced, Christian, Lou, Bou 10

This rollercoaster ride she wanna do it again

But she can't cuz she know I'm in love wit the dough

Plus the ride that she's on is too emotional

I'm too stuck in my ways for us to play how we play

At first you beggin' to leave

Then you beggin' to stay

Same shit, different day

I'm like please civil play

You can leave if you may

But then I hear you say

I'm so tired of playin' love rollercoaster wit you

Cuz my heart can't take this drama you be puttin' me through

It goes up and down

Round and round

Round and round

Over and Over again

I never said it would be easy

Peep the nigga you dealin' wit

I be on my million shit

She be on that Hilly shit

Whether club or studio she wanna know who I'm chillin' wit

Ridin' on that rollercoaster none of us is feelin' it

And now she got me feelin' sick I don't wanna lose this

Money or relationship please don't let me choose this

She's on a constant mood switch

But I say there's no right or wrong

She's swears that she's right I'm wrong, she's always tryna prove shit

I be on that cool shit

She be on that bullshit

She says that I love her, but don't love her like my music

Why do you think I do this

To keep you up in that new shit

Keep your hands inside the ride when it movin'

I'm so tired of playin' love rollercoaster wit you

Cuz my heart can't take this drama you be puttin' me through

It goes up and down

Round and round

Round and round

Over and Over again

This feelin' that I goin' through

You got me caught up and I'm so confused

And everything I thought that we had was true

But now I'm seein' a whole different side of you

You got me goin' up and down

And around and round

I'm goin' up and down
And around and round
Goin' up and down and
Round and round
And round and round we go

I'm so tired of playin' love rollercoaster wit you
Cuz my heart can't take this drama you be puttin' me through
It goes up and down
Round and round
Round and round
Over and Over again
