

I Like Boys

Missing Persons

In all the world there's just one thing for this little girl
Ooh I like boys
Some are my lovers some are my friends I don't try to pretend
Ooh I like boys
Whatever I do wherever I go if you're the one I'll let you know
I like boys

People like this
People like that
But I like boys

It's easy for me
You better believe
I like boys

It's a matter of taste
I'm a state my case
I like boys

And boys like me too

I like boys
I like boys

I like boys
I don't care where they're from or what they've done
Ooh I like boys
Lay no shame rich or not as long as they are hot
Ooh I like boys
Give me a boy what should I do don't you wish it could be you
I like boys

People like this
People like that
But I like boys

It's easy for me
You'dbetter believe
I like boys

It's a matter of taste
I'm a state my case
I like boys

And boys like me too

I like boys
I like boys
