

Come Back Baby

Muddy Waters

Oh, come back, baby
Baby, please don't go, yeah
Oh, you know the way I love you
You will never know

Oh, come back, baby
Can't we talk it over
One more time

You know this well
And what made in one day
Can't we talk it over darling
Just before you go away

Oh, come back, baby
Let's talk it over
One more time

Oh, come back, baby
Don't break up my home
Well, you know I'm gonna miss you, honey
After you're gone

Oh, come back, baby
Let's talk it over
One more time
