You know the gypsy woman told me that you your mother's bad-luck child

Well, you're having a good time now, but that'll be trouble aft er while

Well, you know I went to a gypsy woman to have my fortune told She say, "You better go back home son and peep through your, yo ur key hole"

You know the gypsy woman told me that you your mother's badluck child

Well, you're having a good time now, but that'll be trouble aft er while

Well, now, you know I went back home, I took the gypsy woman as she said

I peeped through my key hole and there was another man laying in my bed

You know the gypsy woman told me that you your mother's badluck child

Well, you're having a good time now, but that'll be trouble aft er while
