

Lonesome Day

Muddy Waters

Today has been such a long and lonesome day
Today has been a long and lonesome day
I've been sitting here thinking with my mind a million miles away

Well, I love my baby, but my baby she don't love me
I love my baby, but my baby she don't love me
I take all my troubles and calf them down in the deep blue sea

Blues started rolling
And stopped at my front door
Blues started rolling
And stopped at my front door

Change my way of living
Won't have no worry no more
