

# Rock N Roll is All I Got

**Murderdolls**

I don't need no woman yacking  
I don't need no friends  
sold my soul to rock n roll  
let me tell you where it all began

It was a sunny day, sitting by a grave  
when the Devil walked up to me  
he said "for your soul  
I'll give you rock n roll  
and that's all you'll ever need"

I've got nothing to lose,  
I've got nothing to prove  
gonna make some noise before I rot  
cause rock n roll is all I've got

I've said it once before,  
and I'll say it once again  
sex, drugs and rock n roll  
have been my only friends  
yeah

Rock n roll, rock n roll is all I got

I don't need no one to love me  
stay the fuck away  
hell's the path I walk tomorrow  
won't you follow me this way

I've got drugs to take  
I've got shit to break  
I've got bitches when I need  
I don't give a shit,  
I'm a son of a bitch  
dissatisfaction guaranteed

I've got nothing to lose,  
I've got nothing to prove  
gonna make some noise before I rot  
cause rock n roll is all I've got

I've said it once before,  
and I'll say it once again  
sex, drugs and rock n roll  
have been my only friends  
yeah

We live, we breath,  
we bleed, rock n roll  
We live, we breath,  
we bleed, rock n roll

I've said it once before,  
and I'll say it once again  
sex, drugs and rock n roll  
have been my only friends  
yeah

Rock n roll, rock n roll is all I got
