

Blood From The Xanten's King

Mystic Circle

Many days of games where over in the kingdom of Burgund
at the end a hunting should be with Siegfried as their leader

"take your weapons saddle your horse your the greatest hunter
tomorrow at the mourning red we will go to the forest".

Hagen said to Kriemhild that he wants to save Siegfried
from the robbers in the wood and from wild cruel animals

"mark the vulnerable sign on Siegfried's back
my shield should save him from all evil".

in the mourning they went to a place called Odenforest
Hagen has watched Siegfried's back to have in mind the deadly mark

then the group was separate cause Siegfried saw a roe
only Hagen followed him and the rest stared at them
as Siegfried had killed the roe he were dirty and tired
he asked Hagen for a spring and they ride to the place

then Siegfried go on his knees and he drank his last gulp
Hagen put the lance in his back blood spiller from the Xanten's
king

as Kriemhild heard from the dead of her man
she knows at once who the murder were

"cursed are you Hagen Von Tronje with the Nibelungenhord
I will buy me a new army to have my revenge for you".
