

U Drive Me Crazy

N'sync

U Drive Me Crazy
Why are you messin with my mind?
U Drive Me Crazy
Why are you tellin' all these lies?
U Drive Me Crazy
Stop doing all these things to me
U Drive Me Crazy
'Cause all I want is to be free

I'm feelin' weak,
I cannot sleep
My head is burning,
I feel cold down to my feet
I wanna yell,
Somebody help
Is there a cure for what I've got?
Somebody tell me

I need your lovin' face
I need your sweet embrace
'Cause you are my only medicine

U Drive Me Crazy
Why are you messin with my mind?
U Drive Me Crazy
Why are you tellin' all these lies?
U Drive Me Crazy
Stop doing all these things to me
U Drive Me Crazy
'Cause all I want is to be free

You're on my mind,
I'm so uptight
I feel sensation in my head,
Down to my spine
Goin' insane
Can't stand the pain
Is my condition permanent?
Somebody tell me

I need your lovin' face
I need your sweet embrace
'Cause you are my only medicine

U Drive Me Crazy
Why are you messin with my mind? (messin with my mind
baby)
U Drive Me Crazy
Why are you tellin' all these lies? (tellin' all these
lies)
U Drive Me Crazy
Stop doing all these things to me
U Drive Me Crazy
'Cause all I want is to be free

24/7, You are on my mind
I'm going crazy

You are the cure and you know but you don't care
Girl, you're driving me insane...

[Rap by Tony Cottural]

You can say what you want to,
Do what you want to
As long as you love me girl,
I won't front you
You're the sweetest thing
Let me be your man
Let me hold your hand
Or let me be your friend
Meanwhile I will set the house up on a hill
Girl as you know it's all about the dollar bill
Gonna treat you like a queen,
Like a lady
Chica, chico you drive me crazy

You're always on my mind
I need you all the time
So come and get with me
'Cause darlin' you're the one I need
Someone to hold me tight
'Cause I can't sleep at night
You are my fantasy
Girl, you drive me crazy

U Drive Me Crazy
Why are you messin with my mind
U Drive Me Crazy
Why are you tellin' all these lies? (tellin' all these
lies)
U Drive Me Crazy
Stop doing all these things to me
U Drive Me Crazy
'Cause all I want is to be free

Crazy... Why are you messin with my mind?
Crazy... Why are you tellin' all these lies?
Crazy... U drive me Crazy
Crazy... 'Cause all I want is to be free
Crazy
