

# All in Your Head

Nabiha

Whatever you did, whatever you said  
Whatever you think, it's all in your head!  
All that it's done, it's all in your past  
If you don't want to say, I'm not gonna ask,  
When you run away, I just go to pieces  
Can we both stay and work it out?  
I know you feel alone-oh-oh-oh,  
But I'm not gonna go, oh, oh!

It's all in your head,  
It's all in your head,  
It's all in your head!  
Whatever you did, whatever you said  
Whatever it is, it's all in your head  
I know you feel alone-oh-oh-oh,  
But I'm not gonna go, oh, oh!

It's never that bad, it's never so wrong  
For you to feel like you can't come home  
You make a mistake and sometimes we grow  
If we never fall down and we'll never know  
When you run away, I just go to pieces  
Can we both stay and work it out?  
I know you feel al-al-alone,  
But I'm not gonna go, oh, oh!

It's all in your head,  
It's all in your head,  
It's all in your head!  
Whatever you did, whatever you said  
Whatever it is, it's all in your head  
I know you feel alone-oh-oh-oh,  
But I'm not gonna go, oh, oh!

We all need to clear my mind sometimes  
There are things we don't wanna talk about  
And I, I'm not judging you on anything  
It's alright, it's alright!

It's all in your head,  
It's all in your head,  
It's all in your head!  
Whatever you did, whatever you said  
Whatever it is, it's all in your head  
I know you feel alone-oh-oh-oh,  
But I'm not gonna go, oh, oh!
