

## Fallen Heroes

Nachtfalke

Great battles under the north star  
Fighting for honour and blood  
With iron will under the sun wheel  
Hallowed be the fight

Remember the fallen heroes  
It's a fine day to die

Heroism in the blitzkrieg  
Baptized with flesh and steel  
Bounded by the sun wheel  
Hallowed be the war

Remember the fallen heroes  
It's a fine day to die

Marching through the ruins  
Hold high our right hands  
Killing under the sun wheel  
Hallowed be the death

Remember the fallen heroes  
It's a fine day to die
