

## Remain Nameless

### Napalm Death

No place.  
My number's up.  
Still not good enough.

Sequestered, should I bow my head?  
Unlucky?  
Not to be a part .

Accept the ordeal, bar-coded.  
Cut the deals, downloaded.  
Succession strains.

Misinformed.  
Denied, your words shattered.  
Purposeless.

I'll breath the free air, and remain nameless.
