

# It's Not Just You

Nasri

Darling, I know your heart seen better times  
I know our songs have better rhymes, before today  
Darling, I guess I made the wrong mistakes  
I understand if you need your space  
Please take your time

[Hook:]

Before you go away,  
So far away  
You need to realize

[Chorus:]

Baby it's not just you,  
You know it hurts me too  
Watching you leave with tears on your sleeve  
Notice that mine are not exactly dry  
Baby it's not just you,  
That's hurting, it's me too

I'm sorry, I wasn't there to catch the fall  
I didn't hear you when you've called  
All of those nights,  
Please don't forget the good days with me  
I can make back the heart aching beat  
When it gets dark and it's hard to see,  
I'll turn on the lights, so

Before you go away,  
So far away  
I really need you to know

Baby it's not just you,  
You know it hurts me too  
Watching you leave with tears on your sleeve  
Notice that mine are not exactly dry  
Baby it's not just you,  
That's hurting, it's me too

[Bridge:]

I'm not giving up  
You don't have to leave  
I am willing to beg 'till I break my knees  
I believe in us, don't give up on me  
Girl I know that you're hurting  
And I'm sorry for the pain  
I promise that I'll change  
Forgive me, forgive me

Baby it's not just you, (just you)  
You know it hurts me too (cause I love you)  
Watching you leave with tears on your sleeve (don't you notice)  
Notice that mine are not exactly dry (not exactly dry)  
Baby it's not just you,  
You know it hurts me too  
We had it all, how could we fall?  
Baby I thought we would never die

Baby it's not just you  
That's hurting, it's me too  
Not just you,  
Baby it's not just you (2x) (it's not just you)  
Not just you,  
Baby it's not just you (2x)  
Not just you,  
Baby it's not just you (2x)
