

## Too Naked To Distort

Nasum

Release me from this anger  
Release me from this pain  
Give me time to think  
This is too hard to explain

When all the facts are given  
I sense a different thought  
Seen from a different angle  
Too naked to distort

Now is the time to bring out the truth  
No more lies, time for you to give up  
Now is the time to bring out the truth  
End this bullshit, we won't have it this way
