

The Kink Panther

Necro

Intro:

Man: "Uh, uh, oh yeah."

Woman: "I can't understand it. You can't be living just for sex. And only for sex. And nothing but sex alone. It's disgusting."

Man: "What is this bullshit you are talking about? The only thing worth living for as far as I'm concerned is a nice juicy, white, open cunt hole. This is the meaning of life for me. When I'm stuffing my cock into a nice, slimy pussy. The rest is all horse shit."

Woman: "Your sense of values are really impressing me."

Man: "Wait till I shove it up your ass. You'll see!"

Verse 1:

Thickness

Chocolate Quick flavored Swiss

Miss Chick

You're hip to lick my dick puss

Super cute

Respect your doodie shoot

Perfect booty

Your gluteus max protrudes

Wanna see your ass crack and nude

Slang quaaludes

Smackin' prudes that hang with gay dudes

You gold diggers are boogers

You won't pig out on my figures

Got you in mind control triggers

To most guys, you're unapproachable

To me, you're no better than a roach in a pool

My quotables are a notable in your book

And who gives a shit what you think?

You can croak

Well, back to the fact that your butt and your tits are immaculate

Slut, let's cut the shit and cut

Don't act you ain't wit' it

Admit it

You want me to hit it

You're attracted

I'm out there

Whip it out

Come get it

Chorus:

The girl is pretty kinky

Yeah!

I really love to taste her

Hey, hey, hey, hey!!!

The girl is pretty kinky

Yeah!

I really like to taste her

Hey, hey, hey, hey!!!

Verse 2:

Be my Valentine

Get you drunk off Ballantine

Mad dudes fighting over you like Palestine

This gal is fine as fuck

Fuck you from behind

The chalice wine poured on your D-cups
Divine
My spit games like Rick James
This bitch got no shame
She took it up her ass like Ving Rhames
Dick covered in shit stains
Make her give brains
Run trains
I live insane
Never mundane
I got swagger
Red Bull gagger
Dreadful bag over your head pulled down
Shag her
You're a magnet for attention
A magnum condom was a great invention
I thank 'em
No holds barred sex
But no Gold card
You old whore
Your body sold for a price
You got a cold sore
Getting hyper
Having sex in the mirror
Fuck a shady viper
I need a lady tiger Elvira

Chorus:

The girl is pretty kinky
Yeah!
I really love to taste her
Hey, hey, hey, hey!!!
The girl is pretty kinky
Yeah!
I really like to taste her
Hey, hey, hey, hey!!!

Outro:

Oh girl
Oh no
Everybody sing
Oh girl
Oh no
Hey, hey, hey, hey!!!
