

# Love Like I Mean It

Newsboys

I have, good intentions  
Don't always turn them, into action  
I speak love, it's easy enough  
But words are not what, love is made of

I wanna do more than that  
Yeah, I gotta do more than that  
Want you to see it  
And believe it

Oh oh oh, Oh oh oh,  
I wanna love like I mean it, love like I mean it  
Oh oh oh, Oh oh oh,  
I wanna love like I mean it, love like I mean it

I know, what mercy feels like  
I've seen my own life, pulled from the ashes  
But I'm not gonna wait, until it's too late, too late  
I wanna show the world what I've been given

I could speak with the voice of angels  
Even tell you that I got your back  
But I wanna do more than that  
Yeah, I gotta do more than that
