

Love Revolution

NewSong

Everybody listen to me
Hear the message that I bring
It's time for us to come together
It's time to live what we believe

We are God's people
And He's calling us to march
Let's love each other
And show this world His heart

We need a love revolution
It's so easy to see
Love is the only solution
Time has come for us to prove
Just what the pow'r of love can do
We need a love revolution

It's a call to every nation
And everyone who wears His name
Time to join this fight for freedom
Time for us to make a change

We are God's people
And He's calling us to march
Let's come together
And show this world His heart

We need a love revolution
It's so easy to see
Love is the only solution
Time has come for us to prove
Just what the pow'r of love can do
We need a love revolution

The battle lines are drawn
You know we're in war
So brothers and sisters
What are you waiting for?

We need a love revolution
It's so easy to see
Love is the only solution
Time has come for us to prove
Just what the pow'r of love can do
We need a love revolution
