

# Alone Again

Newton Faulkner

Alone Again,  
Lights are on but there's no-one home.

I wont pick up,  
Leave a voice message at the tone.

I can't lie for me,  
But for you I will try my best.

Guess I'll say I'm nearly there,  
But I've not even started yet.

And then I think to myself,  
That there's no-one else to blame.

And I don't mind if all the people don't share my point of view,  
You may lie just sittin around but it is not what I wanna' do,  
And I could say that I'm alright, I got little bits on the side,  
It's no excuse it's an explanation it's just my lazy drive.  
Oh yeaa-aa-aah

Alone again,  
Even now I can hear your voice.

On my back again,  
Wanna' stop but I have no choice.

It's my day off,  
But I guess I could work all night.

Okay, maybe not,  
What the hell it was worth a try.

And then I think to myself,  
That there's no-one else to blame.

And I don't mind if all the people don't share my point of view,  
You may lie just sittin around but it is not what I wanna' do,  
And I could say that I'm alright, I got little bits on the side,  
It's no excuse it's an explanation it's just my lazy drive.  
Oh yeaa-aa-aah

And I don't mind if all the people don't share my point of view,  
You may lie just sittin around but it is not what I wanna' do,  
And I could say that I'm alright, I got little bits on the side,  
It's no excuse it's an explanation it's just my lazy drive.  
Oh yeaa-aa-aah

Alone again,  
Lights are on but there's no-one home.
