

# Cracking Up

Nick Lowe

Cracking up, I'm getting ready to go  
Had enough, I can't take any more  
No pills that I can take  
This is too real and there ain't no escape

It scare the daylights, it make a nightmare  
I'm tense and I'm nervous  
Everybody all around me  
Shakin' hands and sayin' howdie

I don't think it's funny no more

Cracking up like a worn out shoe  
Ain't wet but the world leakin' through  
I'd run but I find no pace  
I laugh but it's wrecking me, wrecking me

It make a shiver, it make a shake  
It make a monster just like an earthquake  
Everybody havin' fun  
I don't know how they can carry on

'Cause I don't think it's funny no more

At dead of night time, at crack of dawn  
It comes upon me without warning  
If I were a gunman, I would shoot  
I'd tear the hair out by the root  
I'd make a knife out of a notion  
All at sea in an ocean of emotion

I don't think it's funny no more  
I don't think it's funny no more  
(Cracking up)

I don't think it's funny no more  
(Cracking up)  
I don't think it's funny no more  
(Cracking up)

I don't think it's funny no more  
(Cracking up)  
I don't think it's funny no more  
(Cracking up)  
I don't think it's funny no more
