

High on a Hilltop

Nick Lowe

I'm lookin' for something
I think I'll never find
I might as well face it
I'm the losin' kind

But deep down inside
I believe it is
High on a hilltop
Way, far away

High on a hilltop
Way, far away

Each night I pray
That it's not too late
That disappointment
Won't be my fate

But I believe deep down
One day I'll stand
High on a hilltop
Way, far away

High on a hilltop
Way, far away

I'm lookin'
But I won't ever find
I might as well face it
I'm the losin' kind
