I got it bad, you don't know how bad I got it You got it easy, you don't know when you've got it good It's getting harder, just keeping life and soul together I'm sick of fighting, even though I know I should

The cold is biting
Through each and every nerve and fiber
My broken spirit is frozen to the core
I don't want to be here no more

Wouldn't it be good to be in your shoes Even if it was for just one day And wouldn't it be good If we could wish ourselves away

Wouldn't it be good to be on your side The grass is always greener over there And wouldn't it be good If we could live without a care

You must be joking, you don't know a thing about it You've got no problems, I'd stay right there if I were you I got it harder, you couldn't dream how hard I got it Stay out of my shoes if you know what's good for you

The heat is stifling
Burning me up from the inside
The sweat is coming through each and every pore

I don't want to be here no more I don't want to be here no more I don't want to be here no more

Wouldn't it be good to be in your shoes Even if it was for just one day And wouldn't it be good If we could wish ourselves away

Wouldn't it be good to be on your side The grass is always greener over there And wouldn't it be good If we could live without a care

I got it bad, you don't know how bad I got it You got it easy, you don't know when you've got it good It's getting harder, just keeping life and soul together I'm sick of fighting, even though I know I should
