

Some Might Say

Oasis

Some might say that sunshine follows thunder
Go and tell it to the man who cannot shine
Some might say that we should never ponder
On our thoughts today cos they will sway over time

Some might say, we will find a brighter day
Some might say, we will find a brighter day

Cos I've been standing at the station,
in need of education in the rain
You made no preparation
for my reputation once again
The sink is full of fishes,
she's got dirty dishes on the brain
It was overflowing gently but it's
all elementary my friend

Some might say they don't believe in heaven
Go and tell it to the man who lives in hell
Some might say you get what you've been given
If you don't get yours I won't get mine as well

Cos I've been standing at the station,
in need of education in the rain
You made no preparation
for my reputation once again
The sink is full of fishes,
she's got dirty dishes on the brain
And my dog's been itchin',
itchin' in the kitchen once again

And some might say, some might say
You know that some might say, some might say
